Customer Reviews

I bought this book at Moby Dick's gift shop in Wellfleet, Cape Cod. Right away I flipped through and saw that their lobster roll was featured -- lots of new and interesting info about Todd, the owner, who has chatted with our family for years, so I could tell right away it was a well-researched book.

(SPOILER ALERT) The favorite lobster roll was deemed the Clam Shack's of Kennebunkport, Me. I haven't had their lobster roll, but I'm headed up there next week so I'll be sure to check it out. Nice pictures, good variety of places and a great way to tour your way through New England. Thanks, Lobstergal! EDITED to say I have now tried about ten of these places and I agree that the Clam Shack in KPT is the best so far!

Have started to check out Sally's favorite places. Sander's Fish Market, outstanding. Some places are spot on with book but others do not come up to her standards. Case in point, Footbridge Lobster, I got a plain hot dog bun not the "fresh home baked bun in book" and compared to next door the Footbridge lobster was not fresh off the boat on the day I visited 10/26/14. I enjoy reading her book and visiting new places.

This is the book to have if you love lobster rolls. We tried many of the author's suggestions while visiting Maine and all were spot on - Clam Shack in Kennebunkport and Bite of Maine in South Portland were the best, as the author said. Check out her blog.

lobster roll lovers will enjoy the descriptions and we particularly loved reading about some of our own favorites as well as learning about ones we are eager to sample.

It is a fine book. Hopefully, I will be able to go to one of these places and get a lobster roll!
