## Customer Reviews

The book is approximately 6" x 6" but has some nice projects. Most of the tassels are made entirely of beads and some are beads combined with silk thread hanging down. All the tassels are very nice. The "crusted" items are sewn on beads. Some crusted projects are wooden beads wrapped in ribbon and "crusted" and some crusted projects are tops of boxes. I am not sorry I ordered this book. I think the projects are very nice.

This may be a little book but it has Great pictures and instruction.sometimes small is more user friendly..so glad I took a chance on it..B.W.

This is a nice little chap book but probably not quite what I expected. Little short on the how to's but an attractive little book.
