This is a wonderful cookbook to give those just starting out. It contains good ole American comfort food. Everyone I have given it to just loves this book! (Of course, it's not exactly a book for vegetarians.) I esp. like the roast meat section. Most general topic cookbooks aren't that great on the subject, but this book provides fantastic (and easy!) roast chicken, leg of lamb and sirloin recipes. Want a great BBQ rib recipe? You'll find it here along with mac 'n cheese, cole slaw, french fries and lots more.

This cookbook is wonderful and has recipes for all the comfort foods a tummy desires, including pot roast, meatloaf and macaroni & cheese! It also has directions for side dishes to accompany the entrees. I have used a lot of the recipes and everything came out great!

perfect cookbook with wonderful recipes.
