Wisconsin Supper Clubs: Another Round

Synopsis

Wisconsin Supper Clubs: Another Round, a sequel to author/photographer Ron Faiola's wildly popular first book on the topic (now in its sixth printing), gives readers a peek inside 50 additional clubs from across the Badger State. Traveling from the Northwoods to Beloit, Faiola documents some of the most exceptional and long-lived restaurants that embrace the decades-old supper club tradition. These are largely family-owned establishments that believe in old-fashioned hospitality, slow-paced dining, and good scratch cooking. In this guide, readers will find interviews with supper club proprietors and customers as well as a bounty of photographs of classic dishes, club interiors, and other scenes from Faiola's extensive travels. Despite the chain restaurants that continue to dominate the culinary landscape, supper clubs across the Midwest are thriving today in many of the same ways as they have for the past 80 years. The term "supper club" has even been borrowed recently by the burgeoning underground restaurant scene, which champions an upscale-yet-communal dining experience similar to that offered by traditional supper clubs. Wisconsin Supper Clubs: Another Round is a new, intimate look at this unique American tradition, one that invites supper club enthusiasts and newcomers alike to enjoy a second helping of everything that made Wisconsin Supper Clubs such a hit.

What a treasure. Thanks to Ron for his dedication to preserving these gems of WI culture. His reviews are interesting and entertaining and the illustrations for each Supper Club are unique and accurate.

Beautifully done. I now have all three books. Love going to the supper clubs in Wisconsin.

This is a fabulous book, love it!!!!

what a great book, whether you live in Wisconsin or not. A look into the past of the glamour days when people actually dressed for dinner and enjoyed cocktails!

Cannot wait for the third installment....
