ALGEBRA STUDENT WORKBOOK

Synopsis

Thorough coverage of algebra skills This program provides students with all of the concepts and skills they need to succeed in a first-year algebra course. Correlated to NCTM Standards, the content provides students of all abilities with essential preparation in problem solving, calculator usage, and application lessons that demonstrate how algebra is integrated with related content areas such as geometry, probability, and statistics. Overall, this high-interest, low-readability text makes it easy for you to engage students who struggle with reading, language, or a learning disability. Lexile Level 760 Reading Level 3-4 Interest Level 6-12

Book Information

Paperback: 126 pages

Publisher: AGS Secondary; 4th edition (January 30, 2006)

Language: English

ISBN-10: 0785435697

ISBN-13: 978-0785435693

Product Dimensions: 8.5 x 0.4 x 10.9 inches

Shipping Weight: 11.2 ounces (View shipping rates and policies)

Average Customer Review: 4.8 out of 5 stars [See all reviews](#) (4 customer reviews)

Best Sellers Rank: #50,598 in Books (See Top 100 in Books) #3 in [Books > Education & Teaching > Higher & Continuing Education > Test Preparation > Graduate School > MAT](#) #111 in [Books > Textbooks > Education > Secondary Education](#) #220 in [Books > Education & Teaching > Studying & Workbooks > Workbooks](#)

Customer Reviews

This is a must have to go along with the textbook. In this book you'll come across "Multiplication of Matrices".....I'll be honest, when I was in high school I didn't get this far so after I recovered from having my eyes bug out from seeing this lesson in the textbook, with the help of the example in the workbook, I was able to explain, demonstrate, and help my child understand how to solve the problems in this lesson. I really appreciate the writer of these textbooks for making some difficult concepts easier to understand. Thank you!

This workbook was received unmarked and in great condition. Great purchase for a fraction of the cost of a new book.

Helpful book (just the one we needed) delivered quickly. Thanks!!

This workbook is a great resource for me in my classroom. Thank you so much. It reviews important information from each lesson in the activity pages.
