Williams-Sonoma Collection: Thanksgiving

Synopsis

No other holiday captures the spirit of home cooking the way Thanksgiving does. From the perfect roast turkey with wild rice and chestnut stuffing to a rich, old-fashioned pumpkin pie, good food shared with family and friends is what makes this day so special. Williams-Sonoma Collection Thanksgiving offers easy-to-follow recipes you will want to include in your own holiday menu year after year. In these pages, you'll find inspiring first courses and a tempting variety of side dishes and desserts as well as some new ideas for the main course. This vividly photographed, full-color recipe collection will become an essential addition to your kitchen bookshelf. "Whether it's your first time preparing a Thanksgiving meal or your twentieth, I hope these recipes make your feast enjoyable."

Customer Reviews

From Williams-Sonoma, "Thanksgiving" has 40 essential recipes that you can count on to be delicious. Thanksgiving is all about the experience of enjoying home cooking. Learn to make a no fail classic roast turkey, or Hickory-Smoked Roast Turkey with Horseradish-Apple Sauce if you want to get fancy. All the side dishes are here and maybe some new ones too including wild rice and chestnut stuffing, butternut squash Soup, dressings, breads, cranberry sauce and more. A whole chapter is dedicated to the important staple "potatoes" and the varied ways you can prepare the humble spuds. Sweet Candied Yams are here too. Desserts are not forgotten such as Creamy Pumpkin Pie. One of the nice things about this company is that they include large color photos of their completed dishes, and these help with presentation as well. The recipes are accessible and

easy to follow for any level cook. You will rely on this book every year, a worthwhile investment. And it looks prettier on the shelf than most cookbooks I have seen.

This book is a charm! One year some years ago I was doing the Thanksgiving at our house - and 8.5 months pregnant! This book gave me a ton of great ideas along with the traditional stuff that I could make for our family. Everything in the book I made everyone just loved! Definitely worth having in your pantry cookbook stash! The Candied Yams recipe is the best one I've ever seen.

Apple Cider Cranberry Sauce. Homemade, from scratch; from real, fresh cranberries. A wonderful book, cover to cover, with a lot of useful tips, and nice recipes. The Cranberry Sauce is delicious, simple, impressive, and very addictive; be warned!

I was surprised at the recipes in this volume. They are simple, yet elegant. The pecan pie recipe is the best we've ever had! And as Southerners, we've sampled quite a few! The photos are great. We liked this volume so much we're collecting the set.

This is a beautiful book. One should write out the recipes and never take the book near a kitchen. It did not meet my needs. I bought it as a hostess gift for the cousin who hosts me, and as many as 12 others who are alone for Thanksgiving dinner. The recipes sound delicious but they are not for a large number of people who expect lots of basic good (like Grandma's feast) food. I would recommend this book to someone who wanted to really wow an intimate group of fellow gourmets. And to those who love to read cookbooks, like myself. On a practical note, for the size and price, it didn't have many recipes. There are ingredients not found in a small mountain town. This book would be a nice addition to a cookbook collection, make a nice hostess gift for a book lover, but is not suited as a go-to cookbook. It's a one-menu book.

I purchased the book as a present - my daughter. The book is beautiful and arrived in gift perfect condition. It was the cook bookshe "always wanted." I am looking forward to tasting the dishes she will prepare from this book this coming Thanksgiving. (2013)

This is a great cookbook. Every year my sister-in-law would borrow it for her Thanksgiving dinner. Finally, we bought her her own!

Didn't really need this one for the book shelf. I've actually found better recipes in my cooking magazines. The shiper did their part and got it to me in a timely manner and the book arrived in the condition promised.
