# Quilt Labels For All Occasions 2: 65 Iron-On Transfer & Trace-On Labels!

## **Synopsis**

Every quilt should be documented with the person who made it and the date it was made. With Quilt Labels for All Occasions 2, there is a wide variety of styles from which to choose and for any occasion. It includes two transfer methods to create quilt labels: trace or iron-on transfer. No computer is needed, just the fabric to make the quilt label, and an iron or a pencil or pen to trace the design. The designs come in a variety of sizes and include occasions such as new baby, birthday, anniversary, wedding, graduation, first communion, Christmas, Halloween, spring, summer, autumn, winter, and various charity themes. There are also labels that feature cute, friendly animals, quilt blocks, and Sunbonnet Sue. Encouraging quilters to commemorate their creations, this handy resource helps give simple, personal, and stylish finishing touches for their quilts.

## **Customer Reviews**

All I had to do was search this book for my mother who saw it at her quilt guild. I was so glad to order it for her and have it two days later.

Has a nice variety of cute labels. These labels also have nice large areas to put your own wording.

Iron on stencils do not work well. tried two different and they did not work on differet fabrics.

Just too much work for making labels. Will stick to my old method of using plain muslin.

love this book has lots of diffrent lables in it for a person to use
