Food52 Baking: 60 Sensational Treats You Can Pull Off In A Snap (Food52 Works)

Synopsis

A stunning collection of hassle-free recipes for baking cakes, cookies, tarts, puddings, muffins, bread, and more, from the editors behind the leading food website Food52. Whether it's the chocolate cake at every childhood birthday, blondies waiting for you after school, or hot dinner rolls smeared with butter at Thanksgiving dinner, homemade baked goods hold a place in many of our best memories. And that's why baking shouldn't be reserved for special occasions. With this book, curated by the editors of Food52, you can have homemade treats far superior to the store-bought variety, even when it feels like you're too busy to turn on the oven. From Brown Butter Cupcake Brownies to "Cuppa Cuppa Sticka" Peach and Blueberry Cobbler, these sixty reliable, easy-to-execute recipes won't have you hunting down special equipment and hard-to-find ingredients or leave you with a kitchen covered in flour and a sink piled high with bowls. They're not ordinary or ho-hum, either: ingredients you've baked with before (and some you haven't - like black sesame, coconut oil, and lavender) come together to create new favorites like Baked Cardamom French Toast and Olive Oil and Sesame Crackers. Filled with generationsâ™ worth of kitchen wisdom, beautiful photography, and tips you'll return to, Baking is the new go-to collection for anyone who wants to whip up something sweet every day.

Customer Reviews

If you are short on baking books in your cookbook collection, you will probably appreciate this group. But these recipes are more of a "blast from the past", than new and exciting baking recipes.

Granted, I find a lot of old recipes to be wonderful, and when I find a new and worthy "old" recipe I treat it like a gift of gold. But most of these recipes have been around the block more than once. And if you already have a large collection, you probably have seen most of these (I mean, really, there are only 60 recipes here....). But to give this book credit, there are a few real à œkeepersâ • in this volume and some of them are available to be seen by checking out the à œLook Insideâ • feature on this product page. The à œLook Insideâ • feature can give you a lot of insight into whether this is a book that will delight or disappoint. Definitely check out the Contents page and the Index to see a listing of all the recipes. So, to say it again: If you are an avid cookbook reader or collector, these all may appear as variations on what youâ™ve seen before: Youâ™ll have seen these recipes (or very similar ones) on the Food52 website, or maybe in some other authorâ™s book, (like a molasses yogurt bread that comes from one of Mark Bittmanâ™s books), or maybe from your own recipe collection files from the 60â™s or 70â™s. And, really? What is the value of including a flour-less PB&J cookie in this book when there are pages of recipes for them on the internet? If there are going to be only 60 recipes in the group, at least make them recipes that we can find online for freeâ|. Great tips included throughout the book are indexed at the beginning on a page called à œBaking Basicsâ •. If you are an inexperienced baker, you might not have seen this info before.

I love à œFood52â •, and if youâ™ve never heard of them, I highly recommend after reading my review, you Google them and subscribe to their newsletters. They are fabulous! Their recipes!? Geniusâ| This book is filled with recipes that Iâ™m sure I will use over and over again. Updates on classic recipes, new takes on modern favorites and so much more! The book is divided into 7 main categories â“ each more delicious and flavorful than the last. Let me break it down and give some recipe examples so youâ™ll know just how scrumptious this book isâ| Breakfast Goods â“ à œFeatherweight Blueberry Sconesâ • (page 2), à œBaked Cardamom French Toast with Syrupy Meyer Lemonsâ • (page 5), à œBestest Banana Breadâ • (page 15 and perhaps my FAVORITE banana bread recipe ever!) and à œOvernight Orange Refrigerator Rollsâ • (page 19). Cookies & Bars â“ à œCream Cheese Cookiesâ • (page 25), à œCardamom Currant Snickerdoodlesâ • (page 29), à œBrown Sugar Shortbreadâ • (page 37), à œBalsamic Macaroons with Chocolate Chipsâ • (page 38) and à œMagic Espresso Browniesâ • (page 46). Fruit Desserts â“ à œNectarine Slumpâ • (page 52), à œAlmond Butter and Oatmeal Crispâ • (page 56), à œSummer Fruit Galetteâ • (page 61), Peach Tartâ • (page 64) and à œPeach and Blueberry Cobblerâ • (page 67 and SO good!). Custardy Cakes & Puddings â“ à œRaspberry Clafoutisâ •

(page 72), "Lemon Sponge Cups" • (page 79), "Sour Cream Cheesecake with Chocolate Cookie Crust" • (page 80) and "Coconut Tres Leches Cake" • (page 83). Everyday Cakes "Easy-As-Pie Apple Cake" • (page 88), "Cold-Oven Pound Cake" • (page 91), "Spiced Parsnip Cake" • (page 95) and "Tomato Soup Spice Cake with Cream Cheese Frosting" • (page 99).
