Birman Cats - The Owner's Guide From Kitten To Old Age - Buying, Caring For, Grooming, Health, Training, And Understanding Your Birman Cat Or Kitten

Synopsis

Birman Cats - The Owner's Guide from Kitten to Old Age is a must-have book for any responsible owner of a Birman kitten or adult cat. Expert breeder and owner Rosemary Kendall writes in a fun and entertaining way about Birmans while packing the book full of useful hints and tips. In addition, 25 expert Birman breeders were actively involved in making contributions, including 3 in-depth breeder interviews (one with the Cat Fanciers' Association Best of Breed winner) sharing their stories and advice. Just some of the subjects covered include: origins and history of the Birman cat, types and colors, buying an adult cat or kitten, male or female, pros and cons, rescue, adoption, breeders, catteries, personality, socialization, spaying, neutering, litter training, bringing your kitten home, grooming, combing, bathing, cat shows, health, vaccinations, understanding your Birman, play and toys, food and nutrition, old age and what to expect, and much more... "I've bought almost every Birman cat book there is but this is the best so far. Our adorable cats are comprehensively covered here with plenty of experts involved." - Amanda Jefferies

Customer Reviews

As a Birman owner of over 30 years and breeder/exhibitor for 23 years I can recommend this book as one of easiest to read, understand and comprehensive guides to the Birman breed of cat. The authors did exhaustive research as evidenced in the acknowledgements (I know a great many of sources personally). It is so informative as well as entertaining. You will love the pictures.

Truly enjoyed this book! It was very informative about the birman breed. The pictures in the book

are fun to see! The author did much research to present an accurate book about the birman cats. This book was easy and enjoyable to read. I am telling all my birman friends about this book! Thanks so much for your contribution to the knowledge of the birman cats!

Just received my book and was very pleased !! I am honored to be a contributor and feel the author did an excellent job of sharing our beloved Birmans with the public. Lots of time, research and care went into this book and it shows. A must read if you are considering adding a Birman to your life. Thank you !!!

Very informative book enjoyed reading it. I am reading as much information on the Birman breed. To make a decision on a pet that would fit for my family and also fit him or her

Very nice book that covers all aspects of birman acquisition and care.As a contributor, I am very pleased with the way the book turned out.Joann Lamb

It's very informative and easy to understand. I own two Birman cats and I highly recommend this book, especially to new owners.

This book was very helpful. I just adopted a Birman and this made me learn important info about the breed.

Good book for the new Burmese owner.
