The Pacific Northwest (Williams-Sonoma New American Cooking)

Synopsis

With a maritime bounty ranging from salmon to crab and a forest harvest that includes prized porcini and truffles, the Northwest harbors abundant culinary resources. The region's diverse climate is matched by an equally diverse range of growing conditions. The result is a rich bounty of local products, from Washington State's famous apples and Oregon's glorious wines to Idaho's signature potatoes. The Pacific Northwest celebrates the best of this regional cuisine.

Product Dimensions: 0.8 x 7.5 x 9.5 inches

Shipping Weight: 1.4 pounds

Average Customer Review: 4.3 out of 5 stars [See all reviews](#) (3 customer reviews)

Best Sellers Rank: #1,317,473 in Books (See Top 100 in Books) #135 in [Books > Cookbooks, Food & Wine > Regional & International > U.S. Regional > Northwest](#)

Customer Reviews

I just moved into this area and ordered this book. The recipes are good and give you information on the ingredients and the area. Going to love visiting some of the small towns to check out some of the local fare. Not to mention I already love salmon and oysters to begin with.

This is a great addition to the WS Library, and will be to any cookbook reader's library. The Pacific Northwest has easy to follow recipes that are true to the regions bounty. As with all WS books, the pictures can write a story themselves. I especially like the sections that go into the history of the regional produce and what flourishes naturally in the Northwest climate. This is a true representation of what makes that area of our country so unique. Reading the book has made me want to take a trip back there.

Vendor was great...book OK . Not what I expected from a William Sonoma book. I would not recommend this series.
