Customer Reviews

I am a big fan of the Gooseberry Patch Christmas books. This book does not "grab" me as the others have. I doesn't have the ideas that I would use like the others have. I was kind of disapointed with this book. I am sure it is difficult to keep coming up the original ideas each year.

When you are a fan of do it for the family projects, and one made yummys...you can trust a GooseBerry Patch book...and this one is a treasure box of goodies. To be read and re-read over and over, and passed on to future generations.

I bought this book for a friend for Christmas and she loved it. Will be back to buy more Gooseberry Books!

I have a collection of Gooseberry Patch Christmas books. The recipes and craft projects are great.
