CLEP® American Literature Book + Online (College Placement Test Preparation)

Synopsis

Earn College Credit with REA's Test Prep for CLEP® American Literature Everything you need to pass the exam and get the college credit you deserve. CLEP® is the most popular credit-by-examination program in the country, accepted by more than 2,900 colleges and universities. For over 15 years, REA has helped students pass the CLEP® exam and earn college credit while reducing their tuition costs. Our CLEP® test preps are perfect for adults returning to college (or attending for the first time), military service members, high-school graduates looking to earn college credit, or home-schooled students with knowledge that can translate into college credit. There are many different ways to prepare for the CLEP® exam. What's best for you depends on how much time you have to study and how comfortable you are with the subject matter. Our test prep for CLEP® American Literature and the free online tools that come with it, will allow you to create a personalized CLEP® study plan that can be customized to fit you: your schedule, your learning style, and your current level of knowledge. Here's how it works: Diagnostic exam at the REA Study Center focuses your study Our online diagnostic exam pinpoints your strengths and shows you exactly where you need to focus your study. Armed with this information, you can personalize your prep and review where you need it the most. Most complete subject review for CLEP® American Literature Our targeted review covers the material you'll be expected to know for the exam and includes a glossary of must-know terms. Two full-length practice exams The online REA Study Center gives you two full-length practice tests and the most powerful scoring analysis and diagnostic tools available today. Instant score reports help you zero in on the CLEP® American Literature topics that give you trouble now and show you how to arrive at the correct answer - so you'll be prepared on test day. REA is the acknowledged leader in CLEP® preparation, with the most extensive library of CLEP® titles available. Our test preps for CLEP® exams help you earn valuable college credit, save on tuition, and get a head start on your college degree.

Customer Reviews

Very Good Study Guide...but after taking the CLEP Am. Lit. I have to say that much of the material on the test was NOT covered in this book. That being said, this book is a wonderful guide to learning and discovering American Literature. I really like the easy-to-understand format and the way this book breaks down all the time periods and places the authors in each particular time period. This makes the material easier to remember and the information is inclusive and detailed but not overly cumbersome. I found the practice tests to be basically irrelevant to the actual scored test. I scored super high on the practice tests but struggled with many questions on the actual exam b/c it was material that had not been covered. I do think that the authors of these test books do the very best they can to prepare the student...from that point it is the student's responsibility to grow, learn more, and make smart choices on questions that may not have been covered. I did use additional study materials and I studied very hard and really prepared for this exam. I did pass but would have liked to have gotten 100%...but alas! I would recommend this book but I would supplement with other materials in preparation. Good Luck!!

This is a good book to help you study for the CLEP test, and the practice questions are very helpful. HOWEVER, you will really need to read the primary source material mentioned in the book, or there is no way you will pass your test. I was able to read this study guide, plus supplement with a Norton Anthology I checked out from my local library, and I did fine. But make sure you read the literature marked as Must-Read in this guide!

Using this book I was able to pass the CLEP test with a decent score. I would recommend also reading plot summaries of the major novels, which you can do on Sparknotes. Being familiar with the characters and themes in important works served me well.

Minimal information that was actually on the test. Easy to read format and helpful study guide, but

most information did not apply on test.

Great book to prepare for the American Literature CLEP exam. Thorough and comprehensive. It's very useful .

Love these books and the leg up they give for taking CLEP Testing+

Must have for passing clep.

Did not pass, did not work, do not recommend.
