Aunt Bee's Mayberry Cookbook

Synopsis

Aunt Bee and her friends have stirred up a cookbook that brings home all the flavor of "The Andy Griffith Show's" Mayberry. You'll enjoy most of the 300 mouth-watering recipes (but not all?included is the recipe for Kerosene Cucumbers) for the foods served by Aunt Bee and others in Mayberry. From good old-fashioned, down-home cooking to some of Mayberry's more unusual meals, you'll discover favorite Mayberry-style dishes for all occasions?inspired by Aunt Bee's unsurpassed talents in the kitchen and her special love for her family and friends. Aunt Bee's Mayberry Cookbook is also chock-full of wonderful, rare photographs from "The Andy Griffith Show" and offers entertaining glimpses into "the friendly town." Many of the recipes are favorites from members of the show's cast and crew.

Customer Reviews

I received this cookbook as a shower gift ten years ago from my 90-something year old great, great aunt. At the time, I thought it looked a bit hokey...it just goes to show that we young cooks have so much to learn from those that have gone before us! It has all of my family's favorites -- it is usually the place that I can find the recipe for all of those good things I remember from my childhood. I have over 60 cookbooks, and it is one of my most-used! This one is a "must-have".

Ok, to be honest...are all of the recipes in this book winners? No. But have I found any other cookbook where I could answer that questions affirmatively? No. Have you?Anyway, this was a hand me down book that I inherited and I enjoyed reading the recipes and the made up history

behind where they were served (did it come from Aunt Bee's kitchen or the diner or was it something that bachelor Barney made for a date?). Nobody was more surprised than me when I made Flora's Meatloaf Mallerby. Oooh buddy! Anybody who has had my meatloaf since then swears up and down that it's THE best EVER! But....don't try to make the orange chicken....that didn't work quite as well! :)

Clara Edwards Johnson's recipe earned her another ribbon for award-winning pickles. Aunt Bee has her "Kerosene Cucumbers" (albeit now edible) in this collection of culinary and show quotes cookbook. I have had a fine time reading this cookbook and enjoying it as much as a highly recommended novel. Eventually, I will hit the kitchen and prepare the delectable dishes and desserts. For the time being, I find myself immersed in the memorable nuggets from many of the show's episodes. I am laughing with glee and relishing insider information about the citizens who inhabited Mayberry. Authors Ken Beck, Jim Clark,, and the recipe editor Julia M. Pitkin have a little gem of a cookbook here...not only for what you can concoct and eat, but for what feeds your soul--memories of The Andy Griffith Show and why it is so beloved today. Even if you don't know a saucepan from a sommelier, you will want this cookbook in your library.

These are simple down home recipes that you grew up eating. I love it

I don't like to plan menus, and this book starts off with 30, including menus for holidays. I enjoy the photos and dialogue from the TV series mixed in with the recipes. The book contains a variety of recipes, not just what you might expect to see being served on the show. The submissions by cast members come with stories that are fun. I always enjoy reading the story behind a new recipe. I would recommend this cookbook to anyone who loves southern cooking, enjoys trying new recipes, or loves the Andy Griffith show.

My husband and I love the Andy Griffith TV show so much and watch re-runs whenever they're on. Perusing this cookbook is just like being with old friends, just so enjoyable to read through. Haven't tried any recipes yet, so far I just enjoy relaxing while I skim through some of the pages.

a very nice nostalgic cookbook.. i gave it as a gift and my friend really liked it.. the recipes are easy to follow and the ingredients are very common.. the character profiles are fun and an added bonus... excellent price and fantastic delivery service.. everything was better than expected... i recomend this

cookbook to any fans of the andy of mayberry show..

Very nice spiral bound book. I ordered 6 and held my breath but wasn't disappointed. It will make a very fun gift for all my cooking friends. Fun pictures and story lines from The Andy Griffith Show. Brought back lots of memories. I am very glad I ordered one for me as well!
