Customer Reviews

Book is in great condition. However take extra caution that you are getting everything you need when ordering. This does NOT have the cengage access code that you need to be able to do your assignments. I didn't realize this until after I had opened the book to get ready for my class, at that point it is too late to return it (no returns after the book has been opened) and you are out of luck, can't return it and no code. The code can be purchased for another \$134, rip off.

THANKS SO MUCH! PERFECT
